PROJECT TITLE: MIXED USE RESIDENTIAL COMPLEX AT HULHUMALE (THE CREEK VIEW)

DEVELOPER: SASe GLUT JV PVT. LTD.

CONTRACTOR: GLUT INVESTMENTS PVT. LTD.

LOCATION: LOT NO: S1-3, LOT: 11445 HULHUMALE', MALDIVES

PROJECT BREIF:

The Creek View at Hulhumale Phase-1 is a pristine, spacious condominium project brought to you by the company SASe Glut Joint-venture Private Limited. The development is located at Lot 11445, Kuredhimaa Hingun overseeing the creek separating phase I and phase II of Hulhumale'.

The building comprises 114 apartments with 2 room, 3 room and 4 room units, each carefully designed to ensure the separation of spaces with special attention given to privacy and offer a homely feeling. Each apartment has a mini backyard with access from the kitchen. The kitchens are designed as enclosed spaces separated by masonry and glass partitions.

The apartment units are designed to make the most of natural air and light ventilation with floor to ceiling high windows. These large windows are also placed with an offset from the periphery to prevent direct sun and rain exposure. As many prefer to shape every element of their home environment, carefully choosing their furniture, curtain & paint, we find it best to engage prospective tenants during the interior design process. Those looking to occupy the new home hassle-free have the option to choose from fully fitted, furnished units that come in a different configuration of colour, style & décor.

The access to the residential units is well separated from the commercial area on the ground and the first floor to ensure privacy and safety to tenants. In addition, the entrance lobby is designed with a waiting & meeting area for visitors, limiting visitors' access to apartment floors.

Parking is arranged at the basement, ground and first floor with the basement exclusively for car parking. Amenities such as the pool and playgrounds are at ground level. At the same time, all utility services are located at the service lobby to avoid direct contact with any service team member. A separate service elevator will be allocated for the use of the service team for transporting furniture items and trash bins.
